

MOMI

MUSEUM OF IMAGINATION + INNOVATION

CHALLENGES FACING OUR COMMUNITY

Today's harried lifestyle, filled with ever-increasing screen time, leaves little room for open-ended learning and play. Families are spending less time outdoors than previous generations. Children lack 21st Century skills such as creativity, collaboration, communication and critical thinking. These trends will continue unless we value the power of play for our children.

***The Strength of Our
Community is Determined
By the Priority We Place on
Our Children and Families***

MOMI WILL POSITIVELY IMPACT OUR COMMUNITY BY PROVIDING...

- Engaging exhibits and educational programs that focus on STEAM (Science, Technology, Engineering, Art and Mathematics).
- Multi-sensory, multilingual and multicultural experiences that invite children from all backgrounds and learning styles to find their place.
- Dynamic resources for schools, home and after-school programs to encourage learning beyond the traditional classroom.
- Improved quality of life for New Jersey residents that attracts and retains young families to our region.

NURTURING OUR FUTURE

Strengthening early childhood
learning + school readiness

Creating opportunities to
develop 21st Century skills

Providing learning experiences
that reduce the effects of
poverty + stress

Empowering parent
engagement in childhood
learning + play

Giving access to quality
programming that connects
art + science + nature

MUSEUM OF IMAGINATION + INNOVATION

OUR MISSION

To build a museum for children and families that sparks curiosity and wonder and ignites a lifelong love of learning by connecting art, science and nature.

OUR VISION

We envision a community where children and families of all backgrounds and abilities have equal access to a safe place that offers innovative, hands-on learning experiences.

“We will **STRENGTHEN COMMUNITIES** across New Jersey by **INSPIRING** the next generation of **INNOVATIVE THINKERS, LEADERS** and **PROBLEM SOLVERS**.”

BUILDING A MUSEUM FOR CHILDREN + FAMILIES

Bridging school and home-learning environments, MOMI will support families through hands-on, interactive experiences that inspire imagination and nurture the curious and playful spirit in all of us.
